

If you follow these eight rules, Bike Party will be safe and a positive place for riders, drivers, pedestrians, and the community

1. Stay in the right lane when possible. NEVER ride the sidewalk. NEVER ride against oncoming traffic.
2. Pick up your trash, leave nothing behind.
3. Stop at red lights.
4. Ride straight, ride predictability.
5. Roll past conflict.
6. Leave no one behind.
7. Ride sober! It's illegal and dangerous to ride a bicycle inebriated.
8. Communicate to fellow riders!
